

A Look At Life

This is my last and most unusual poetry book. It not only contains free verse and rhyming poetry, on the philosophical views of life, I have also added the music sheets and a CD of the eight songs I wrote during the 60s. Like my other five books, this one would also a fine gift for a wife or a girlfriend.

The 46 page booklet is available from the author/publisher at \$20 Postpaid.
